## Client Referral Scheme

Fourward Thinking 

## What is It?

A referral scheme whereby we reward clients who successfully refer a new client with £50 and we donate another £50 to a local charity.

## Why are we doing it?

To reward clients who currently refer 90% of our new business.  
To encourage further referrals from existing clients  
Thus helping us grow our own business..  
...and allowing us to support our nominated local charity.

## How does it work?

Complete the form opposite with details of who you are referring.  
Let the person you are referring know that we may be in contact.  
If successful we will credit your account with £50.  
We will match this with a one-off donation to our nominated charity.

## The charity

Our nominated charity this year is Heathlands Animal Sanctuary (No.1067970) based in Royston and run solely by volunteers dedicated to the rescue, rehabilitation and rehoming of unwanted domestic pets.

Registered Charity Number 1067970

For more information contact  
Gillian Knight on 01763 244488  
or visit [www.heathlands.org.uk](http://www.heathlands.org.uk)

For each successful referral we will  
donate another 5% of the referers  
current year fees to the charity.
